To Whom It May Concern:

This letter certifies that Parth Pandya was named a Finalist by The ns-3 network simulator project for exceptional contributions to open source software as part of Google Code-in 2018. Google Code-in is a global online contest that encourages teenage students to use a range of skills, like coding, design, quality assurance, research, and outreach while contributing to open source software. Parth completed 33 tasks as a participant in the contest.

To learn more about Parth's accomplishment, you can read this Google Open Source Blog post:
